

***CHEWING SCENERY***

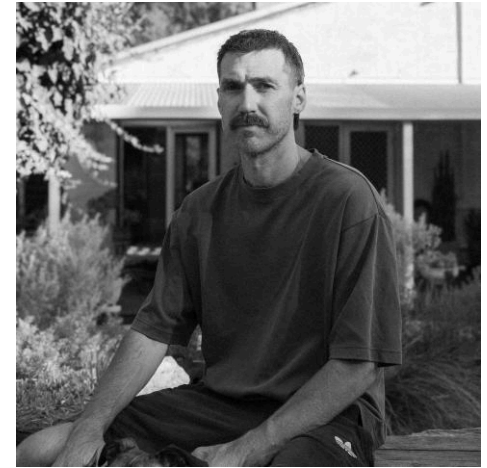

Wade Taylor + Matthew Wright

23 May – 20 June 2026

## ***CHEWING SCENERY***

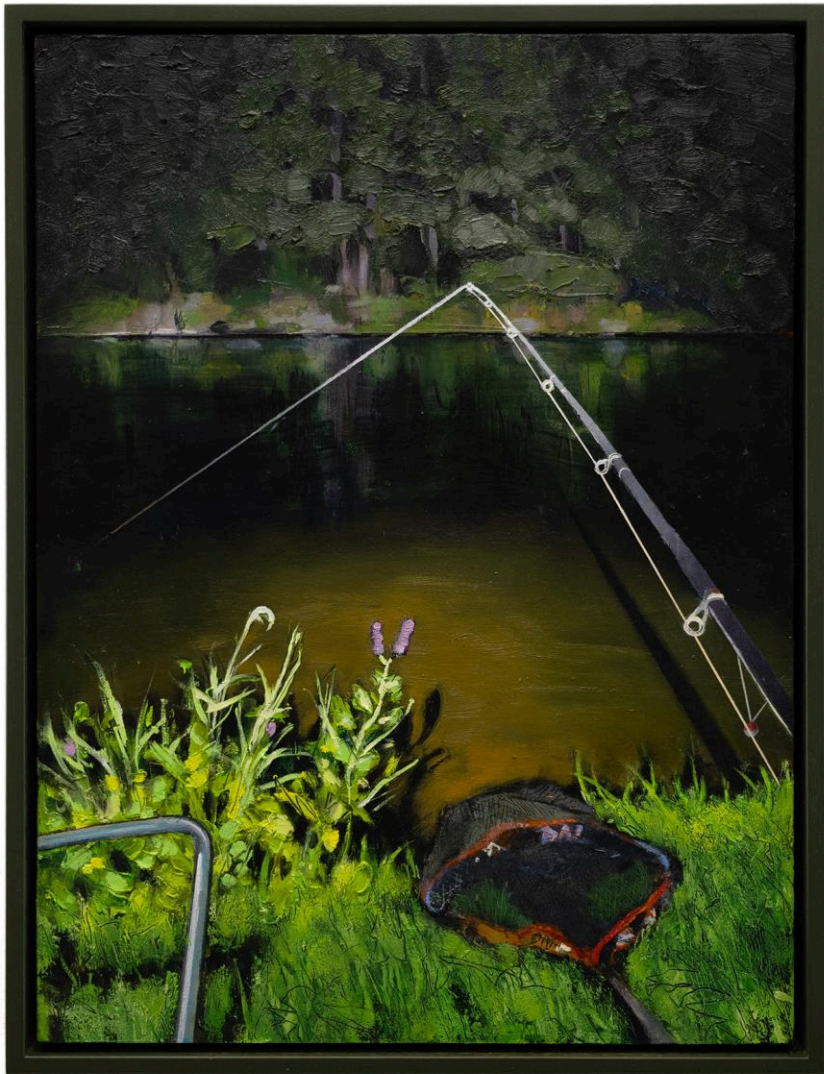

Friends and collaborators Wade Taylor and Matthew Wright present their new bodies of work in *Chewing Scenery*, an exploration of contemporary Australian representational and landscape painting. This exhibition focuses on the processes core to both artists practices. Taylor's representations of the mundane combined with a sense of the suburban gothic sit in conversation with Wright's exploration of painting approaches via fragmented snapshots of the everyday.
